

## **THE HOLIDAYS ARE COMING!!!**

Christmas is a fantastic time to raise much needed funds for the Ronald McDonald House in Bristol. Unfortunately, there are many families that stay here over the whole Christmas period. Our job is make sure that it still feels like Christmas but to do that we need your help...

### **SING!!!**

You can organise a local choir to sing with collection boxes. We can provide these to you on request. You can contact the church, local schools, groups or depending on how brave you are, sing yourself!

### **PACK A STOCKING...**

When a family has a child in the hospital the other siblings are affected quite dramatically. Life is turned upside down and one thing that always helps is presents! Why not buy an extra gift this year and send it to the house or you can donate money for us to spend on redecorating or Christmas dinners.

### **BAKE A CAKE...**

Another major aspect we love about Christmas is all the tasty food! If you fancy yourself as a bit of a cake baker why don't you make some cookies and cakes and sell them on behalf of the house.

### **PARTY!!!**

You can organise a dinner or Christmas drinks party for friends or family. You can charge per head and donate the funds to us here at the charity.

### **IN THE WORKPLACE...**

Instead of spending money on cards for each other why not collect up the pennies and donate them to us. You could also organise a gift collection so that you all make a donation instead of buying each other presents.
