If you are far from home with your most precious child receiving treatment at the Bristol Royal Hospital for Children how can we help?

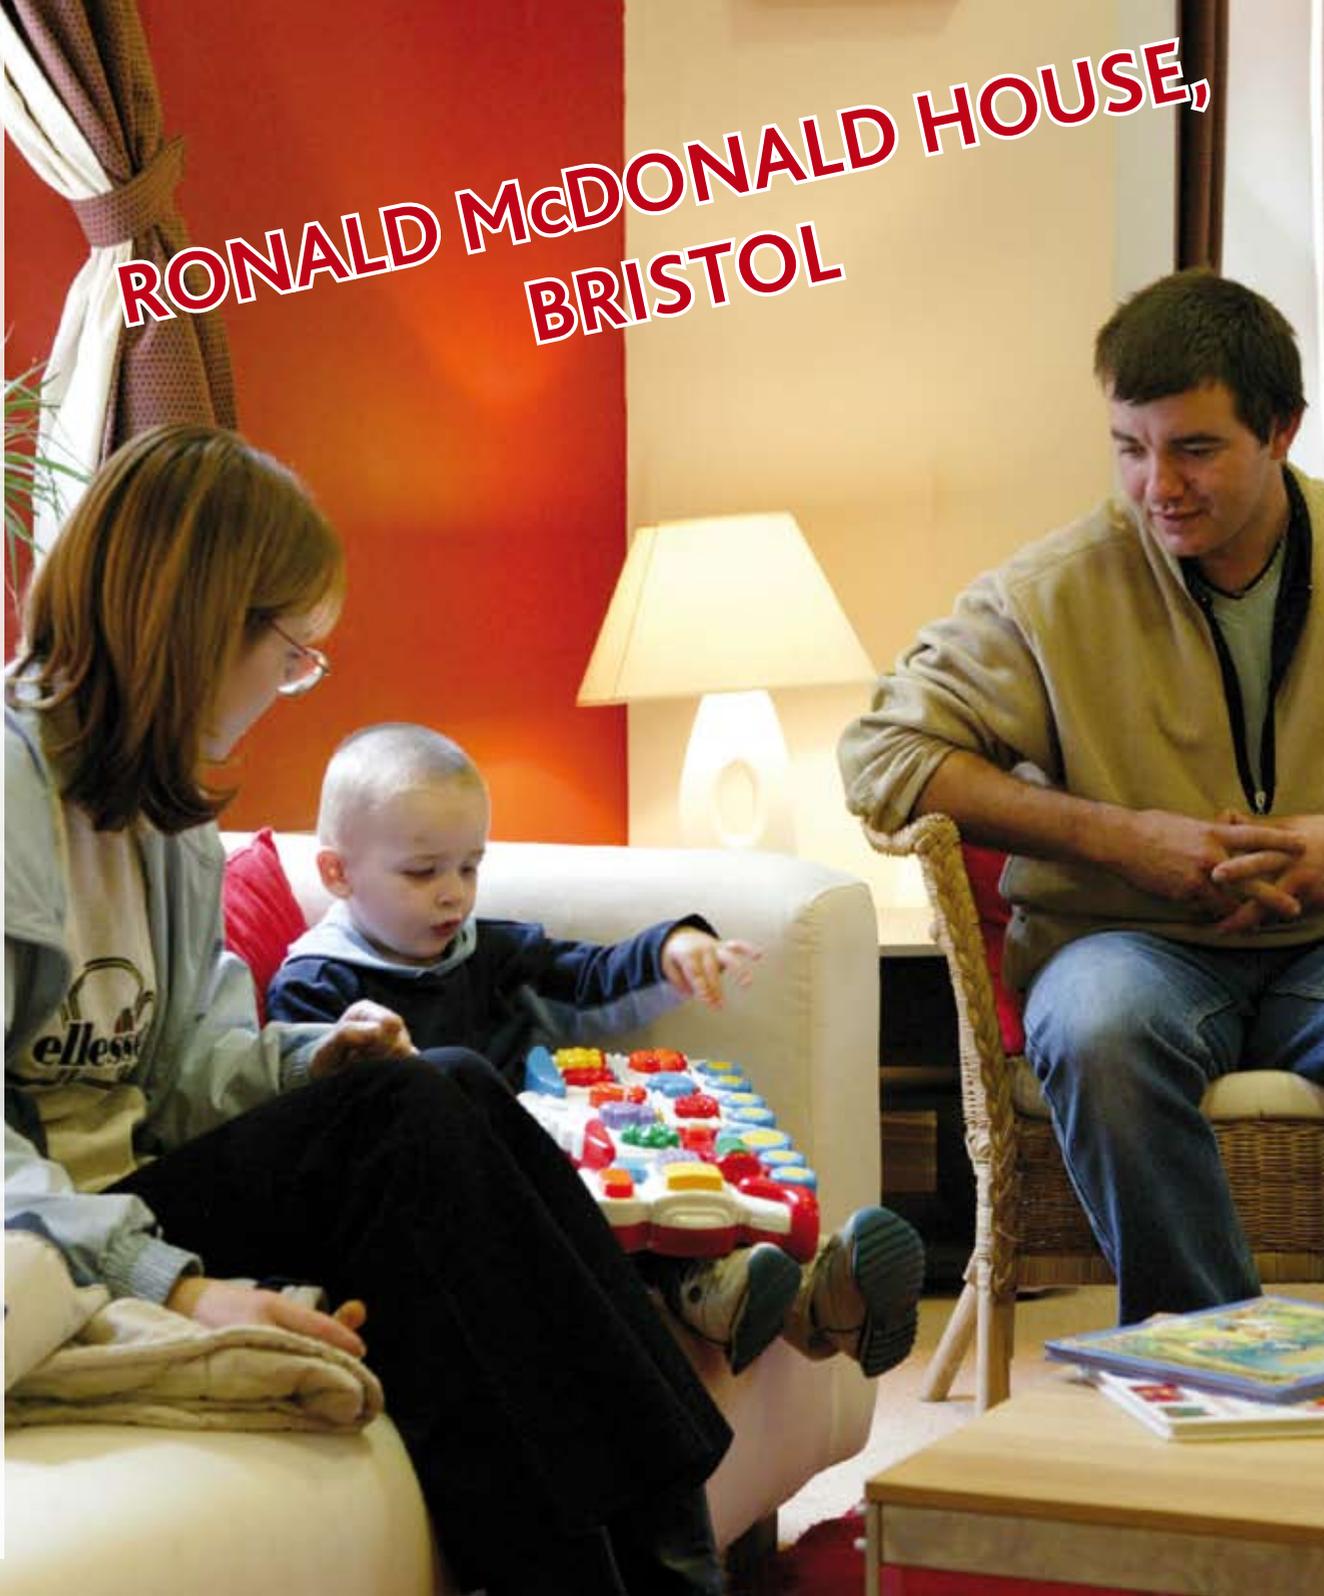

As an independent charity our aim is to keep families together during what could possibly be the most stressful times of their lives. Having a child in hospital invites a whole host of emotions, so we aim to reduce the stress by taking care of some of the practical issues

How do we do this?

We have 21 bedrooms 4 fully equipped kitchens two lounges, a laundry and two beautifully landscaped gardens. Ronald McDonald House, Bristol is warm and welcoming and provides an ideal place to seek respite, refuel and spend valuable time with other family members.
